

About Edcom Educators

Edcom Educators was established in 2008 with the primary goal of providing our clients with professional and convenient training and consultancy in the area of Emergency Medical Services. Since that time Edcom has expanded its' services to include tuition in a variety of subject areas.

Currently Edcom has expanded its' scope to include not only EMS training but also tuition in the area of Social Sciences as well as group training , workshops and consultancy.

Career Development Coaching Programs

Our Career Development coaching programs are designed for professionals, aspiring professionals and students who are seeking to set goals and map a clear path toward their professional development.

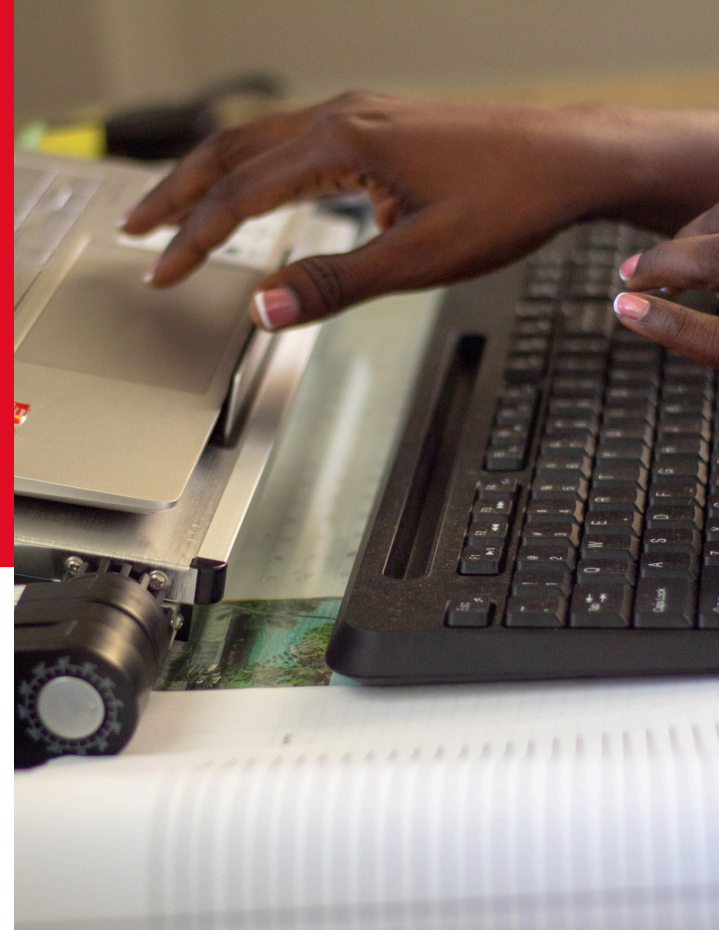

Program 1

Using the SPG model, I will take you through **12 weeks** of 1:1 coaching, while ensuring that you gain a full understanding of the skills needed for professional development. As part of my program you will have access to an online platform for your continued development.

Program 2

This is an **6 week** intensive 1:1 coaching program, gives you the support needed to get you well on the way to achieving your specific goals.

We will help you understand your gifts and talents, give you strategies for identifying and formulating your goals.

Medical Courses

- Continuing Medical Education
- Basic First Aid, CPR & AED certification.
- Basic Life Support Certification
